

Help 4. Using myLLL Library: The Library Application

The black MENU bar has tabs to move between My News Stream, Profiles, Notifications and Apps.

Apps

Click on the Apps tab and you will see a drop down menu with:

- 1 Discussion
- 2 Library

Click on Library for useful documents.

You can find files by looking at different shelves in the Library or you can find files by author or by subject (tag). If you click on the myLLL shelf you will see the files, authors and subjects.
